---

## Good Day Seabird Island Homeowners and Tenants;

The housing department and Fortis BC have partnered together on a project to provide a free inspection and cleaning (no repairs will be done) of **natural gas** powered appliances (Furnace, Hot Water Tank, Fireplace, and hot water on demand units) by a licensed contractor. Titan Sheet metal has been contracted to provide this service.

### What is needed from you to participate in this project:

1. A completed application (attached).
2. The Fortis BC signed waiver (attached).

Completed applications can be emailed to  
[housing@seabirdisland.ca](mailto:housing@seabirdisland.ca)

or

dropped off at the Office by:

**August 31st, 2021**

### What Services will you receive:

The full range of services the contractor will provide is attached. You will also receive a report outlining what condition the appliances are in and what upcoming repairs you can expect.

### Who will contact you to set up the service call:

Titan Sheetmetal will be calling you to set up the date and time for your service.

Please make sure your current contact info is correct on the application form

### Who will come to your house on the day of your scheduled service:

There will be a Member of SIB and the service technician from Titan Sheetmetal.

**If you have any questions, please contact the housing department at 604-796-2177**

Kind Regards,

*Erna O'Brien*

Housing Program Manager
