

HELPFUL TIPS:

Sworn Declaration (Part 6)

Make sure to look for the documents or request them

If you are missing key documents, you can use the Sworn Declaration

If needed, complete the Sworn Declaration with a Guarantor

Guarantor must watch you sign and also sign their portion on the same day

Guarantor can be a band councillor, lawyer, accountant, registered social worker, and more. The full list is on www.indiandayschool.com.

Guarantor does not read your claim. They only need to see page 12
