

MARLANA PETERS

CANDIDATE FOR COUNCIL

Ey Swayel,

My name is Marlana Peters, and I am honored to have called Seabird home for the past 30 years.

I come from the Peters family, and my late father was Garry Peters.

For the past year and a half, I have had the privilege of serving on Council, where I have gained valuable experience and knowledge while holding the Health, Lands & Infrastructure, and Justice portfolios. This role has given me the opportunity to better understand the responsibilities of leadership and the importance of advocating for the needs of our community.

My passion lies in health care. I have been a nurse for the past 11 years, and I chose this profession because I wanted to advocate for better care for our people. Throughout my career, I have worked both within our community and alongside neighboring Nations, supporting and advocating for our members. I take great pride in my work and remain deeply committed to improving health care and ensuring our people receive the respect, quality care, and rights they deserve.

I have a strong commitment to our people, our culture, and our future generations. Through my time on Council, I have developed a deeper understanding of effective governance, transparency, and accountability. I believe in listening to our membership, working collaboratively, and making decisions that reflect the voices and values of our community.

If re-elected, my priorities will include strengthening programs and services, supporting our youth and Elders, maintaining open communication with our membership, ensuring transparency in leadership, and protecting our rights, traditions, and future.

Thank you for your time and consideration.

Kw'as ho:y,

Marlana Peters
