CANDIDATE FOR COUNCIL

## Shawna Martin – Candidate for Seabird Island Band Council

*“We will rise higher when we rise together.”*

As a dedicated community member, I am deeply committed to fostering growth, empowerment, and informed decision-making within our Seabird Island community. My mission is to contribute to the collective strength of our people by focusing on unity, progress, and shared success.

With years of experience as both an entrepreneur and a leader at the corporate level, I have honed my skills in business management, training, retention, and leadership. My diverse background includes extensive knowledge in motivating individuals and teams, navigating complex systems such as healthcare, and supporting the personal and professional growth of others.

I also bring a strong understanding of our cultural practices, spiritual teachings, and the importance of healing and addressing trauma. These values are at the heart of my vision for Seabird Island, and I am dedicated to ensuring they are respected and integrated into the future of our community.

As the eldest great-grandchild of Mabel Peters (Ewen), I have had the privilege of spending much of my life on Seabird Island. What began as visits to family and community members has now become

my proud home. It is within this community that I’ve realized the need for change and progress. I am committed to being a part of that change and will continue to be a fierce advocate for my people.

My focus will be on driving meaningful initiatives that uplift our community, ensuring that all voices are heard, and working toward a prosperous future for generations to come

Thank you for taking the time to read this bio, I look forward to supporting, inspiring, and informing you all as a community in the future.
